BEATH FARMS

OSHAWA, ONTARIO

Above are shown a few of the grand matrons of the Beath Farms' herd in pasture with their calves. No need for nurse cows in this herd.

It is said by a number of people that Beath Farms have the best herd of females in Ontario. Come to our sale and see for yourself. First see if our type of Shorthorns are not what you look for in Shorthorn cattle. See the milking qualities of our cows and see if you can find a herd of Holstein or Ayrshire cows as nurse cows.. Then look over our sires and you will understand why we have a good herd.

In combining our sale with that of Murphy Bros., Orillia, we feel we can supply the best Shorthorn cattle found anywhere in America.

MORLEY BEATH,

Mgr. Beath Farms.

## These Great Sires Have Helped to Put Beath

Walshford Paymaster (Imp.)

Walshford Paymaster 1875673 = 209161 = (Imp.) is the greatest sire of Shorthorn females. His daughters have balance, style, type and fleshing qualities second to none and they combine with those qualities, udders of ideal shape that produce profusely. His daughters in this sale will make real foundations. He has also sired many outstanding bulls, one of which is in this sale.

Roland Clipper

Roland Clipper = 225957 = has developed into a remarkably thick, low set, deep, wide and smooth bull. He has a grand head which he puts on his calves together with his other great qualities. His color and that of his calves are ideal. This son of the famous Drynie Roland, out of one of the best of Walshford Paymaster dams, has become known as one of America's most potent sires. You cannot do better than to buy a bull or some heifers by this grand young bull.

Drynie Roland 215797 (Imp.) was in service in this herd. He was three times grand champion at the C.N.E. and Royal and is now in service in the C. J. Broughton herd in Washington. He sired many noted cattle, among them Roland Clipper, one of our present herd bulls. If he had never sired any other, he would be entitled to be called a famous sire.

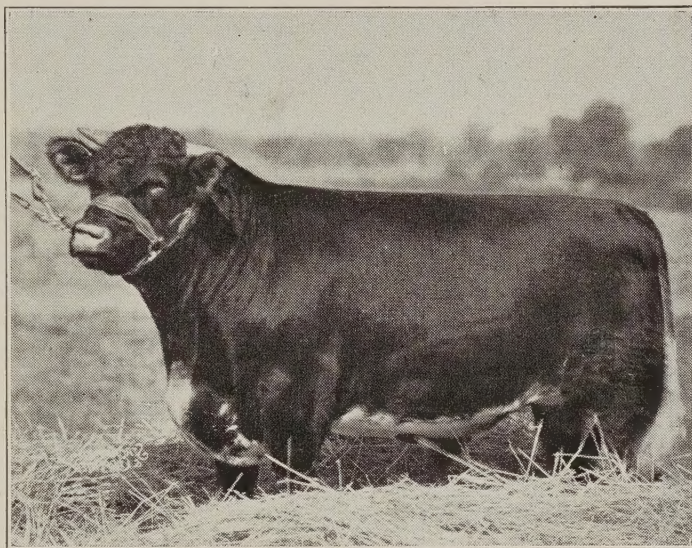

Drynie Roland (Imp.)

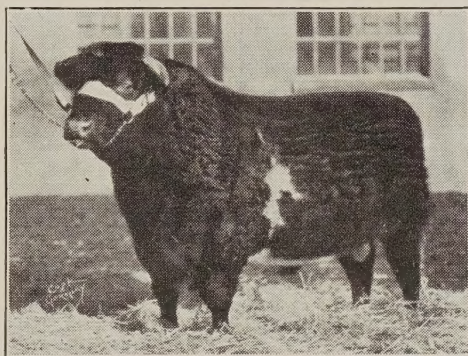

# Farms Herd into the Front Rank in America

**Klaymor Beau Ideal**  
=233424= by the famous  
Collynie Royal Barrage,  
was purchased at the  
1938 Klaymor Farm's sale  
for \$1950.00, the top for  
any bull at auction in  
North America that year  
or since. His calves, like  
him, are smooth, well bal-  
anced, thick and blocky  
and have good heads.  
When you see his sons  
and daughters that are in  
this sale you will realize  
that he is one of the best  
sires of the breed.

**Klaymor Beau Ideal**

**Princeton on Guard 1875672 =219771=**  
was secured from E. P. Ranch to assist in  
Beath Farms' Herd. He was the highest  
priced bull ever to have been sold from this  
famous ranch by auction. For eight gener-  
ations he was bred by the Prince of Wales  
or by James Durno and every bull in the  
pedigree was a famous one. He has proved  
to be a worthy sire, his calves being all that  
was expected of him.

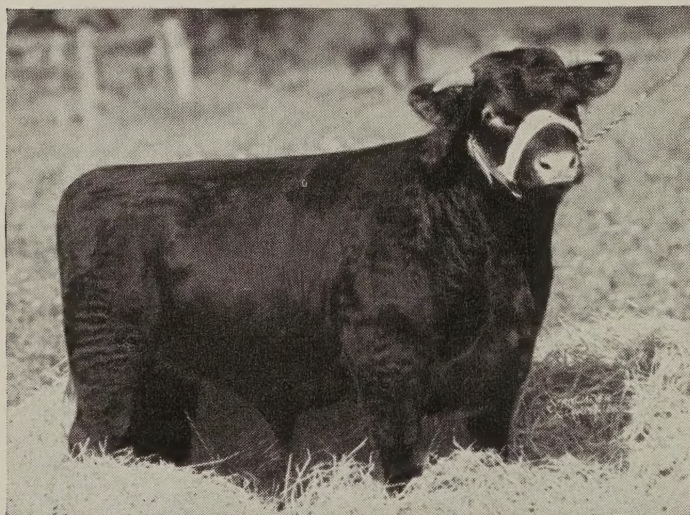

**Princeton on Guard**

**Melba's McDuff**

**Melba's McDuff 1875671**  
=222859= has been a prominent  
sire in this herd and has left some  
cattle that are counted among our  
best.

## He Will Win

BEATHTON MANDARIN. Everyone who has seen this calf, and we have lots of visitors, declares he is one of the three best young bulls in North America this year. He can win at practically any show, is from a great sire and dam and altogether he will make a herd bull such as one rarely has an opportunity to acquire. There is no estimating the value of this calf. Buy him and you will settle your herd bull problem correctly. Cluny Sir Augustus, the sire of his dam, was the sire of two Perth champions.

## A Grand Prospect

BEATHTON REX combines in his top crosses, the blood of the two greatest Canadian bulls. His dam is the dam of the heifer that was sold in our 1939 sale to Marellbar Farms for \$1275.00. Here is a grand prospect to win the senior calf class this year and he is a bull that will make a great name for himself as a sire.

Rigfoot Sensation = 227385 =

**F**OR many years, the Canadian Royal Winter Show contained Canada's greatest show of Shorthorns. During that time Rigfoot Sensation was twice grand champion of that big show. In 1937 he was junior and grand champion and in 1938 he was senior and grand champion. Thus he became known as Canada's greatest show bull. Now we are showing his calves and our success with them leads us to believe that soon he will become generally recognized as Canada's greatest sire. His first calf to be shown was Regent Sensation. He was reserve junior champion at the 1939 C.N.E. and second in a great class of 22 calves at the 1939 International and was next to the top selling bull in the International sale.

This year the calves by Rigfoot Sensation have made a great record at the C.N.E. the only place where we have shown and now Canada's leading stock show. They won first prize senior heifer calf which calf was later made Junior and Reserve Grand Champion female, third prize junior heifer calf, second prize senior bull calf, second prize senior yearling bull, first prize for four calves bred and owned by exhibitor, second prize get of sire and third prize progeny of dam. Every calf shown was high up in the money and all of them will be sold in this sale except the senior yearling.

Here are the three calves that made up our get-of-sire at the recent C.N.E. They are (left to right) lots No. 40, 30 and 24 in this catalog. They with Lot No. 37 constituted the group that won first prize for four calves bred and owned by exhibitor.

It will be noted that every animal but two listed in our consignment to this sale was bred by us, and were sired by Rigfoot Sensation and that those two are safely with calf by him. We respectfully call your attention to the uniformity of this group of cattle as well as to their good type, splendid heads and rich quality. You will note from the following pages that their pedigrees are most acceptable. We trust that you will get as much satisfaction in buying and using these Shorthorns as we have had in producing them.
